1. Q: We noticed a storage shed located adjacent to the building. Is that included in the lease?

A: No. The license does not provide storage shed for use by concessionaire.

2. Q: Are we allowed to set up tables and chairs in the patio area?

A: Subject to approval by the Department you are allowed a limited number of tables and chairs to be setup on the patio. Umbrellas are accepted but cannot have any form of advertisement on them. Please note that the patio is a public space and must remain accessible to the public. You may not restrict usage to patrons. Please refer to Section 3.3, Appendix A- IFB 2014.
